

A LOCAL *Ontario food* EXPERIENCE

## Triple Cord Mennonite CSA hosted by Culinarium™

At Culinarium™ it is our mission to connect you concerned, conscientious eaters with good clean Ontario grown food. We are again pleased to partner with the Triple Cord Mennonite Community of farms to bring you a 19 week Community Shared Agriculture (CSA) program. CSAs are a great way to shorten the food chain and ensure your dollars are going to support a small family farm. That farm community, in-turn, shares with your family a season of bountiful fresh grown produce, nurtured with passion, love and care.

The Triple Cord Mennonite group is a collection of 22 Mennonite families from Elgin County that have been growing together organically and sustainably for the last 15 years. Through Culinarium™, they are able to bring their fresh, wholesome produce directly to your table.
